The Anna Henry Elementary PTA needs your help...

Did you know that the Tucson Unified School District does not provide Physical Education or Music classes for its elementary schools? These classes are fundamental to enrich the education experience and enhance learning by our students.

The PTA at Henry Elementary School is proud to provide the funds needed to pay for these classes throughout the school year. The budget for these two classes alone averages \$13,000 per year! Fundraisers are held during the school year to raise the money needed to keep these two very important programs at Henry.

But with such a large payroll debt and even more budget cuts by the Tucson Unified School District this year, there is going to be a huge strain on the PTA to continue funding these and many other important activities.

We are asking businesses in the Henry community to become "Community Sponsors" and help the PTA fulfill the needs of the students at Henry Elementary School. With your generous donation, your company name will be placed in our monthly newsletter and in our community directory. We would also like to feature you in our monthly newsletter as a contributor and Community Sponsor. Henry Elementary PTA is a 501(c) 3 organization, so your donation is tax deductible.

Please consider becoming a Community Sponsor of Henry Elementary School. On behalf of the PTA and students of Henry, we thank you for your support!
